RISE HOUSE RESCUE

Space Makeovers

“YOUR HOME SHOULD TELL THE STORY OF WHO YOU ARE, AND BE A COLLECTION OF WHAT YOU LOVE.”

Energy Flows

Every house has an energy all its own that must be allowed to flow unencumbered, unclogged and uninterrupted! Many people unintentionally block their home's energy causing tension occupants can feel. This tension can lead to agitation, depression, lethargy, etc. House Rescue clients instantly feel the benefits of unclogging that energy. You will be shocked and surprised by how you feel in your redone home and only wish you had done it sooner.

OUR SERVICES

At Rise House Rescue, we identify problem areas in your home. We declutter, organize, and rearrange to maximize your space and renew your home's energy.

We redecorate & redesign your home with your own existing furnishings, saving you the expensive costs of hiring organizers and designers. We shop in your home to help you rediscover the home decor items you have but that you have forgotten about or may not be featuring. We also can feather in fun new purchases, the choice is yours. Either way your home will be completely transformed without breaking your bank account.
